The University of Wisconsin Cystic Fibrosis Center and Pediatric Pulmonary Center present:

**Free Cystic Fibrosis Family Education Day**

**November 2, 2013**

Registration- 8:00 am; Presentations – 8:45 am to 3:30 pm

The Health Sciences Learning Center (adjacent to the University of Wisconsin Hospital)

This is a great opportunity to meet other families, talk with representatives from many medication and equipment companies and hear from experts on the following topics:

- **“Update on Research and Drug Development for Cystic Fibrosis”** presented by Dr. Michael J. Rock, M.D., Professor of Pediatrics, U.W. School of Medicine and Public Health, Head, Division of Pediatric Pulmonology and Director, University of Wisconsin CF Center.

- **“Inhaled Therapies in CF: How to Git'r Done”,** presented by Dr. David Geller, MD, Associate Professor, Florida State University, College of Medicine

- **“Interventions to Improve Adherence in CF: Initial Results of the iCARE study”,** presented by Dr. Alexandra Quittner, MD, Professor of Psychology & Pediatrics, Director, Child Division Provost, Research Scholar, University of Miami

- **“It Takes a Village: Sharing helpful tips and strategies for working with your community to help you meet the daily needs of living with CF”,** presented by Tiffany Topel, caregiver of an individual with Cystic Fibrosis.

- **“Living with Cystic Fibrosis: A Panel of Experts”** presented by a panel of parents.

This free event will include continental breakfast, parking, lunch, break snacks as well as the opportunity to learn, reflect and network with people involved with cystic fibrosis.

*Due to infection control reasons mandated by the Cystic Fibrosis Foundation we respectfully ask that persons with Cystic Fibrosis not attend this function. Please join us via webcast at: [http://live.videos.med.wisc.edu](http://live.videos.med.wisc.edu)*

*We welcome parents, family and friends of persons with Cystic Fibrosis.*

If you have questions e-mail Leslie Lord, Administrator & Outreach Specialist at: *llord@pediatrics.wisc.edu*

Register in person or via webcast at: [http://go.wisc.edu/CFFamilyDay](http://go.wisc.edu/CFFamilyDay)

Or call 608-262-7457 to register via phone.
