

How to Get Started

1. **Get together, brainstorm and set a goal:** Ask for help from your kids, students, teachers and advisors who are interested in helping American Family Children's Hospital.
2. **Pick a date, time and location:** that does not conflict with other events, and attracts the most people.
3. **Contact Lori Schultz**
Development Program Coordinator (608) 890-9308 (phone)
American Family Children's Hospital (608) 265-9650 (fax)
